Since 1930, C.W.Waddington has been leading the way in stylish, high quality menswear, and as such we are proud to introduce our exclusive wedding hirewear range, the Walton Collection.

Comprising an unrivalled selection of traditional and contemporary formal-wear and accessories, the Walton Collection is available to hire or buy. The Walton Collection is exclusive to Waddington's where, drawing on our extensive experience as Commonwealth Gold Medallist Tailors, we can guarantee a quality of fit and service available no where else. Our highly knowledgeable staff and competitive prices make the Walton Collection the perfect fit whatever the occasion. All our hirewear is kept on the premises, so the clothing customers try at fitting will be what they wear on the day itself.

C.W.Waddington Ltd was founded by Clifford Waddington in 1930 at the premises on Bridge Place, Worksop. Over 87 years of unbroken retailing in the town, Waddington's has developed a deserved reputation for the quality of both its products and service, with the store now run by the third generation of the family.
